

## AB 84

### A powerful and mobile Air Blower for quick drying of carpets.

The AB 84 is a mobile air blower unit that ensures spray extracted or shampooed carpets dry up to 70% faster than with comparable products. It can be used to dry floors and walls in flood damaged areas such as basements, in the building trade for speeding up the drying process of concrete and paint and can also be used to remove smoke or fumes fast. Designed with 3 air flow settings to suit the required cleaning application.

- Robust plastic housing ideal for rough cleaning applications.
- Three speed fan moves up to 5040m<sup>3</sup> of air per hour.  
(level 1: 56m<sup>3</sup>/min, level 2: 70m<sup>3</sup>/min, level 3: 84m<sup>3</sup>/min).
- Compact design with integrated transport handle, 2 large wheels and a 10m power cord storage for easy transportation.
- The large air outlet duct cuts drying time by up to 50%.
- Supplied with adjustable feet and clips to attach to carpets.
