

Puzzi 100

An exceptional Spray Extraction Cleaner for deep down cleaning.

A powerful spray extraction unit designed for easy, efficient deep cleaning of carpets, upholstery and textile flooring. The Puzzi 100 is an exceptional all rounder, with added features which makes using the machine even quicker and easier. This makes it a favourite amongst car dealers for valeting the interiors of new and used vehicles. With a powerful 1 bar spray rate, the water and detergent solution is applied to the area being cleaned and picked up immediately by the vacuum nozzle. The cleaned surface can be walked on almost straight away as very little residual moisture remains. Carpets dry up to 63% faster than those cleaned with other comparable products.

- Convenient storage compartment for detergent tablets.
- Separate fresh water tank with filter element enables long operation periods and protects pump from contamination.
- Accessory holder on handle.
- Compact shock proof, lightweight plastic housing.
- 2 large wheels and 2 castors for excellent manoeuvrability.
- 2 push buttons (Spraying & vacuuming) gives the option to pre-spray, before vacuuming.
- Removable dirty water tank for easy disposal of waste.
